D'AMICO & SONS

It began in 1954. Arturo D'Amico, a first-generation Italian-American, opened D'Amico's Restaurant in Ohio with his industrious wife Helen. Young sons Richard and Larry grew up in the house next door — and in the restaurant itself. In time, the boys moved to Minneapolis and opened their own restaurants, inspired by their passion for quality and their love of all things Italian. D'Amico & Sons proudly offers high-quality food at affordable prices. Virtually everything is house-made from scratch with the freshest and most natural products available.

We look forward to serving you.
