## *Celebrating 20 Years*

With it's open cucina, where flames flicker and chefs chop, baste and bustle about, Campiello Ristorante has brought the warmth and charm of Italy to Naples for 20 years.

Opening it's doors in December 1998, the creators, Richard and Larry D'Amico, brought unique Italian cuisine and an upscale yet casual dining experience to Naples.

A continued success, Campiello beckons diners to enter the handsome Italianate building. The sparkling fountain, Venetian-striped walls, leather banquettes and Tuscan marble flooring greet visitors. While the genuine hospitality and fresh, uncomplicated dishes tempt them to indulge and enjoy the culinary pleasures.

We say Mille Grazie to you, for making Campiello the icon it is today. Buon Appetito!
