

PRIVATE RESTAURANT DINING

campiello naples

rustic italian

SINCE 1998

Campiello is a carefully crafted blend of cosmopolitan style and Italian countryside charm. The “rustic contemporary” menu offers savory meats cooked over an open fire, pizzas from the wood-burning oven, and modern reinterpretations of traditional Italian dishes. Each month, the nuances of regional Italian cooking are presented with the “Tour di Italia” campaign, a changing menu developed to honor the depth and breadth of the cuisine. Housed in the historic Mercantile building in Old Naples, the space offers indoor seating in the airy dining room, or al fresco dining and lounging in the gorgeous courtyard and outdoor bar area.
